

10 Reasons to Switch to a Cornerstone Point of Sale System

Are you noticing signs of inventory loss or too much inventory and unrecorded sales? Are you ready to pull out your hair figuring out table assignments and tips? Are you spending too much time fixing mistakes instead of on your employees and customers? Then it might be time to switch to a Cornerstone Point of Sale System for your restaurant / bar or retail businesses. Below are 10 reasons to switch:

1. **Your inventory is accounted for.** You will now know what actually goes out, what gets ordered, what you have to order and what you need to order less of. Save money by not wasting it on non- needed supplies!
2. **Sudden Shrink does not go undetected.** Since the POS system is designed to record and track all items of sale it can help you pinpoint the cause of missing inventory.
3. **Employee punch cards are no longer needed.** The POS system has been designed to act as a time clock.
4. **Complete payroll easily and accurately.** Get rid of the hassle of multiple software and equipment. Our POS Systems handle employee punches, payroll, inventory, sales and easily splits tips!
5. **Easily manage schedules and table assignments.** Get rid of the paper and dry-erase boards and keep all your data in one secure spot that's easy to manage.
6. **Track coupons and other promotional discounts.** Successfully run reports to total birthday coupons or early bird specials, even happy hour drinks can be tracked!
7. **Prices are consistent from one location to the next.** Do you have one location in one city and one in another, easily keep all pricing and discounts the same.
8. **Make better use of your employees.** Now your employees will have more time satisfying the customers and not have to worry about calculating totals, ordering and counting.
9. **You can actually take a day off!** Let the POS system keep the efficiency in place while you're away!
10. **Wonderful customer support from a local, family-owned and – operated business.** We are here for you! We don't make money unless you make money. Plus get FREE Gift Card Processing!
