

Gaming Service ATM Solutions

- Over **80% of funds** dispensed from the casino ATMs typically **go to your floor!**
- Our ATM processing delivers more approved transactions resulting in **more cash dispensed.**
- ATMs keep customers in your establishment instead of forcing them to seek an ATM at another location.
- Casino ATMs withdrawals **significantly increase location sales!**
- We provide **real-time money machine status information** with messaging and cash alerts!
- Large, easy to read displays are available!

We are your Best Choice for Casino Banking Options Because:

- We have a successful history of identifying unrealized income opportunities!
- **Proven reliability!**
- Experienced ATM Distributor Management Team
- Customer service and technical support available (1-888-878-2615)
- Virtually no network downtime
- Remote monitoring and cash alerts via email or text messages
