

# Nightclub ATM Solutions

---

- Over **90% of funds** dispensed from the ATM are typically **spent at your location!**
- Our processing delivers more approved transactions resulting in **more cash dispensed.**
- ATMs keep customers in your establishment instead of forcing them to seek an ATM at another location.
- ATMs **reduce your credit card fees**, and **can replace check cashing** and thus the fees and loss associated with check cashing and bad checks!
